

GOGANI COMPANY

Manufacturer of Pharmaceutical

& Biological Machinery

Bioprocess Solution

Bioprocess Consultation

Ingredients

(Processing Systems & Machinery)

Classification of Ingredients

- Pharmaceutical
- Human Nutrition
- Food Ingredients
- Animal Health

Pharmaceutical Ingredients

Our product range of Active Pharmaceutical Ingredients (APIs) are :

- Antacids
- Binders & Fillers
- Disintegrants
- Emulsifiers
- Film Coating
- Hard Capsules
- Herbals
- Hydrocolloids
- Preprocessed Minerals & Vitamins
- Surfactants, Solubilisers, Lubricants
- Sweeteners (Natural and Synthetic)

Human Nutrition Ingredients

Our range of nutraceutical and functional ingredients include:

- Amino Acids
- Antioxidants
- Bioflavonoids
- Carbohydrates
- Co Enzyme Q10
- Dietary Fibres
- Dietary Supplements
- Extracts
- Fat Substitutes
- Fruit & Vegetable Products – IQF, Puree, Juice Concentrates, Freeze Dried, Extracts.
- Functional lipids
- Joint Health Ingredients
- Minerals

- Nutritive oils . Vegetable and Marine
- Plant & Herbal Extract
- Prebiotics
- Probiotics
- Proteins – Vegetable and Animal
- Sugar Substitutes
- Sweeteners
- Vitamins

Food Ingredients

Our range of food ingredients include:

- Antioxidants
- Bulking Agents – Maltodextrin, Dextrose
- Colours – Natural & Artificial
- Emulsifiers
- Fibres
- Flavours – Natural, Nature Identical & Artificial
- Fruits and Vegetables Products - IQF, Puree, Juice Concentrates, Freeze Dried, Extracts.
- Hydrocollids
- Preservatives – Natural & Synthetic
- Proteins – Animal & Vegetable
- Starches
- Sweeteners – Natural & Synthetic
- Vegetable Oils

Animal Health Ingredients

Our range of animal health ingredients include:

- Amino Acids
- Antioxidants
- ANZAMOXY™ - Amoxicillin Trihydrate
- Emulsifiers
- Nutritive oils – Vegetable and Marine Source
- Proteins – Animal & Vegetable
- Starches
- Veterinary raw materials– Active & Excipients

List of Pharmaceutical Ingredients :

Acitretin

Adapalene

Alendronate Sodium

Ambroxol HCl

Artemisinin

Artesunate

Atorvastatin Calcium

Benzydamine HCl

Butenafine HCl

Ciclopirox Olamine

Clobetasole Propionate

Desloratadine

Dibenzoyl D-Tartaric Acid

Dibenzoyl L-Tartaric Acid

Diclofenac Diethylamine

Diethyl D-Tartrate

Diethyl L-Tartrate

Diisopropyl D-Tartrate

Diisopropyl L-Tartrate

Dimethyl D-Tartrate

Dimethyl L-Tartrate

Di-p-Toluoyl D-Tartaric Acid

Di-P-Toluoyl L-Tartaric Acid

Doxazosin Mesylate

Enalapril Maleate

Epalrestat

Epinastine HCl

Etretinate

Famciclovir

Fluconazole

Fluoxetine HCl

Fluvastatin Sodium

Ganciclovir

Gatifloxacin Mesylate

(R)-Glycidol

(S)-Glycidol

(R)-Glycidyl Tosylate

(S)-Glycidyl Tosylate

D-Homophenylalanine

L-Homophenylalanine

Hydrocortisone Acetate

Hydroxypropyl Methylcellulose (HPMC)

Idebenone

Irbesartan

Itraconazole

Ketoconazole

Lanoconazole

Lansoprazole Sodium

Levosulpride

Liranaftate	Rabeprazole Sodium
Lisinopril	Rofecoxib
Loperamide HCl	Rosiglitazone
Loratadine	Rosuvastatin Calcium
Lovastatin	Saperconazole
(R)-Mandelic Acid	Secnidazole
(S)-Mandelic Acid	Sertaconazole
Meloxicam	Sertraline HCl
Microcrystalline Cellulose	Simvastatin
Mometasone Furoate	Sodium Carboxymethylcellulose (CMC Na)
Moxonidine HCl	Sparfloxacin
Naftifine HCl	Telmisartan
Naftopidil	Tenatoprazole Sodium
Omeprazole Sodium	Terazosin HCl
Ornidazole	Terbinafine HCl
Oxiconazole Nitrate	Terbutaline Sulfate
Pamidronate Sodium	(R)-Tert Butanesulfinamide
Pantoprazole Sodium	(S)-Tert Butanesulfinamide
Paroxetine HCl	Tiotropium Bromide
Pazufloxacin Mesylate	Tocophersolan (Vitamin E TPGS)
Penciclovir	Tolnaftate
Pioglitazone HCl	Trimebutine Maleate
Povidone (PVP) K30	Valaciclovir HCl
Povidone (PVP) K60	Valsartan
Pravastadin Sodium	Voriconazole

Zolmitriptan

List of Food Ingredients :

Acesulfame K

Acetyl L-Carnitine HCl

N-Acetyl L-Cysteine

N-Acetyl D-Glucosamine

N-Acetyl L-Glutamine

N-Acetyl L-Hydroxyproline

N-Acetyl L-Methionine

Acetyl Tributyl Citrate (ATBC)

N-Acetyl L-Tyrosine

Acorn Brown

L-Alanine

Allura Red (C.I. Food Red 17)

Amaranth (C.I. Food Red 9)

Arachidonic Acid (ARA)

L-Arginine L-Aspartate

L-Arginine Base

L-Arginine L-Glutamate

L-Arginine Monohydrochloride

Ascorbyl Palmitate

L-Asparagine Monohydrate

Aspartame

D-Aspartic Acid

L-Aspartic Acid

Bamboo Leaves Extract

Biotin (Vitamin H)

Brilliant Blue (C.I. Food Blue 2)

Butyl Hydroxytoluene (BHT)

Butylparaben

Cacao Color

Calcium L-Aspartate

Calcium Citrate Malate

Calcium Cyclamate

Calcium L-Lactate

Calcium DL-Malate

Calcium D-Pantothenate

Calcium Propionate

Calcium Saccharin

Calcium Sorbate

Calcium L-Threonate

Caramel Color

S-Carboxymethyl L-Cysteine

L-Carnitine Base

L-Carnitine Fumarate

L-Carnitine HCl

L-Carnitine Tartrate

L-Carnosine

Beta Carotene (Natural)

Beta Carotene (Synthetic)

Carrageenan (Kappa, Iota)	Ethyl Vanillin
Casein Phosphopeptides (CPP)	Ferric Ammonium Citrate
Chitosan Oligosaccharide	Ferrous Fumarate
Cholecalciferol (Vitamin D3)	Ferrous Gluconate
Choline Bitartrate	Ferrous L-Threonate
Citric Acid Anhydrous	Folic Acid
Citric Acid Monohydrate	Fructo Oligosaccharides
L-Citrulline Base	Fucoidan
Coenzyme Q10 (Ubiquinone)	Fucosterol
Conjugated Linoleic Acid (CLA)	Fumaric Acid
Cyanocobalamin (Vitamin B12)	Fumaric Acid CWS
Beta Cyclodextrin	Functional Red Kojic Rice
L-Cysteine HCl Anhydrous	Gardenia Blue
L-Cysteine HCl Monohydrate	Gardenia Green
Disodium 5'-Guanylate (GMP)	Gardenia Yellow
Disodium 5'-Inosinate (IMP)	Gellan Gum
Docosahexaenoic Acid (DHA)	Genistein
Eicosapentaenoic Acid (EPA)	Germanium Sesquioxide (GE-132)
Epigallocatechin Gallate (EGCG)	Delta Gluconolactone
Ergocalciferol (Vitamin D2)	D-Glucosamine HCl
Erythorbic Acid	D-Glucosamine Sulphate Potassium Salt
Erythosine (C.I. Food Red 14)	D-Glucosamine Sulphate Sodium Salt
Erythritol	D-Glutamic Acid
Ethyl Maltol	L-Glutamic Acid
Ethylparaben	L-Glutamine

Ginkgo Biloba Extract (GBE)	Lutein
Grape Seeds Extract	Lycopene
Green Tea Extract (Tea Polyphenols)	L-Lysine HCl
Guar Gum	Lysozyme Chloride
Hawthorn Leaves Extract	DL-Malic Acid
Heptylparaben	L-Malic Acid
L-Histidine Base	Maltol
L-Histidine HCl	Malto Oligosaccharide
L-Hydroxy Proline	Manganese Gluconate
Indigo Carmine (C.I. Food Blue 2)	Mannitol
Inositol	Marigold Color (Lutein)
Inositol Hexaphosphate (Phytic Acid)	Menadione Sodium Bisulfite (Vitamin K3)
Isobutylparaben	Metallothionein (zn-MT)
L-Isoleucine	DL-Methionine
Isomalto Oligosaccharide	D-Methionine
Isopropylparaben	L-Methionine
Konjac Gum	Methyl Cyclopentenolone (MCP)
Konjac Oligosaccharide	Methylparaben
Konjac Powder	Microcrystalline Cellulose
Lac Dye	Mixed Tocopherols Concentrate (Low,High Alpha)
L-Lactic Acid	Monascus Red
Alpha Lenolenic Acid (ALA)	Monascus Yellow
Gamma Lenolenic Acid (GLA)	Monosodium Glutamate (MSG)
L-Leucine	Natamycin
Alpha Lipoic Acid	Niacin

Niacinamide (Vitamin B3)

DL-Pyroglutamic Acid

Nisin

L-Pyroglutamic Acid

Octacosanol

Quercetin

L-Ornithine L-Aspartate

Red Cabbage Color

L-Ornithine Monohydrochloride

Red Radish Color

Palatinitol

Riboflavin (Vitamin B2)

Papain

Riboflavin Sodium Phosphate

Paprika Oleoresin

Rosemary Extract

Perilla Red

Safflower Red

DL-Phenylalanine

Safflower Yellow

L-Phenylalanine

Seabuckthorn Berry Oil

Phosphatidyl Choline (PC)

Seabuckthorn Seed Oil

Phosphatidyl Serine (PS)

Selacholeic Acid (Nervonic Acid)

Phycocyanin C

Kappa Selenocarragenan

Phytonadione (Vitamin K1)

L-Serine

Ponceau 4R (C.I. Food Red 7)

Shikonin Red

Potassium DL-Bitartrate

Beta Sitosterol

Potassium Sorbate

Sodium Benzoate

D-Proline

Sodium Bicarbonate

L-Proline

Sodium Butylparaben

Propolis Extract

Sodium Chondroitin Sulfate

Propyleneglycol Alginate

Sodium Citrate

Propyl Gallate

Sodium Copper Chlorophyllin

Propylparaben

Sodium Cyclamate

Pyridoxine HCl (Vitamin B6)

Sodium Dehydroacetate

Sodium Dichloroisocyanurate (DCCNa)	Sucrose Fatty Acid Ester (SE)
Sodium Erythorbate	Sunset Yellow (C.I. Food Yellow 3)
Sodium Ethylparaben	Sweet Potato Red
Sodium Iron Chlorophyllin	DL-Tartaric Acid Anhydrous
Sodium L-Lactate	L-Tartaric Acid
Sodium Magnesium Chlorophyllin	Tartrazine (C.I. Food Yellow 4)
Sodium Methylparaben	Teaflavin
Sodium Propionate	Tea Polysaccharide
Sodium Propylparaben	Tertiary Butylhydroquinone (TBHQ)
Sodium Saccharin	L-Theanine
Sodium Zinc Chlorophyllin	DL-Threonine
Sorbic Acid	L-Threonine
Sorbitol	Tocophersolan (Vitamin E TPGS)
Sorghum Red	D-Alpha Tocopheryl Acetate
Soybean Isoflavone	D-Alpha Tocopheryl Acetate CWD
Soybean Lecithin	D-Alpha Tocopheryl Succinate
Soybean Oligosaccharide	DL-Alpha Tocopheryl Acetate (Vitamin E Acetate)
Soybean Peptide	DL-Alpha Tocopheryl Calcium Succinate
Soybean Protein Concentrate	Tranexamic Acid
Soybean Protein Isolate	Transglutaminase
Spirulina Powder	Trehalose Anhydrous
Stachyose	Trehalose Dihydrate
Stevioside	L-Tryptophan
Succinic Acid	Turmeric Yellow (Curcumin)
Sucralose	L-Tyrosine

List of Agrochemical Ingredients :

DL-Valine

L-Valine

Vanillin

Vitamin A Acetate

Vitamin A Palmitate

Xanthan Gum

Xylitol

Xylo Oligosacharide

D-Xylose

Zinc Gluconate

Abamectin

Abscisic Acid (S-ABA)

Adenine

Allethrin (D-trans)

Ammonium Humate (HAAS)

Ammonium Nitrohumate (NHAAS)

Bacillus Thuringiensis (BT)

BAU-9403 (Chemical Hybridization Agent)

Benazolin-ethyl

Bensulfuron-methyl

6-Benzyl Aminopurine (6-BA)

Bifenthrin

Bispyribac Sodium

Boron Humate (HABS)

4-Bromophenoxyacetic Acid (4-BPA)

Captan

Chlorfluazuron

Chlorflurenol

Chlorflurenol-methyl

Chlorimuron-ethyl

Chlormequat

4-Chlorophenoxyacetic Acid (4-CPA)

Chlorsulfuron

Cinosulfuron

Clethodim	Epoxiconazole
Clopyralid	Esbiothrin
Colchicine	Esfenvalerate
Cuelure	Ethametsulfuron-methyl
Cyfluthrin	Ethephon
Cyhalothrin (Lambda)	Fenoxaprop-p-ethyl
Cyphenothrin (D-trans)	Fenoxycarb
Cypermethrin (Alpha)	Fluazinam
Cypermethrin (Theta)	Flumethrin
Cyromazine	Flumorph
Daminozide (B9)	Fluometuron
Deltamethrin	Fluoroglycofen-ethyl
Diafenthiuron	Flurenol
Dicamba	Flurenol-butyl
Diethyl Aminoethyl Hexanoate (DA-6)	Fluroxypyr-methyl
Difenoconazole	Flusilazole
Diflubenzuron	Forchlorfenuron (KT-30, CPPU)
Diflufenican	Fulvic Acid (FA)
Dimethomorph	6-Furfuryl Aminopurine (Kinetin)
Diniconazole	Gibberellic Acid A3 (GA3)
Diphenylurea Sulfonic Calcium	Gibberellic Acid A4 (GA4)
Emamectin Benzoate	Gibberellic Acid A4+7 (GA4+7)
Empenthrin	Halosulfuron-methyl
24-Epibrassinolide	Haloxypop-R-methyl
22,23,24-Epibrassinolide	Hexaconazole

28-Homobrassinolide	Nicosulfuron-ethyl
Humic Acid (HA)	Nitrohumic Acid (NHA)
Hymexazol	Oxasulfuron
Imazalil	Oxine Citrate
Imazapyr	Paclobutrazole
Imazaquin	Paraquat
Imazethapyr	Penconazole
3-Indole Acetic Acid (IAA)	Phenothrin (d-trans)
3-Indole Butyric Acid (IBA)	Phosetyl Aluminum
3-Indole Propionic Acid (IPA)	Picloram
Kresoxim-methyl	Potassium Humate (HAPS)
Linuron	Potassium Nitrohumate (NHAPS)
Magnesium Humate (HAMS)	Prallethrin (D-trans)
Magnesium Nitrohumate (NHAMS)	Primisulfuron-methyl
Maleic Hydrazine (MH)	Prochloraz
Mepiquat Chloride (PIX)	Propiconazole
Methoprene	Propionyl Brassinolide
Metribuzin	Prosulfuron
Metsulfuron-methyl	Pyranil Benzyladenine (PBA)
Muscalure (Z-9-Tricosene)	Pyrazosulfuron-ethyl
2-Naphthoxyacetic acid (BNOA)	Pyriproxyfen
2-Naphthoxyacetic Acid (NOA)	Pyrithiobac Sodium
2-(1-Naphthyl) Acetamide (NAD)	Quizalofop-ethyl
1-Naphthyl Acetic Acid (NAA)	Rimsulfuron
Niclosamide Olamine	Sodium Humate (HASS)

S-Prallethrin
Sulfluramid
Sulfometuron-methyl
Tebuconazole
Tebufenozide
Tefluthrin
Tetrafluthrin
Thiabendazole
Thidiazuron
Thifensulfuron-methyl
Transfluthrin
Triacontanol
Triasulfuron-methyl
Tribenuron-methyl
Triclopyr
Tridemorph
Trifenmorph
Triflusulfuron-methyl
Uniconazole
Zeatin

List of Cosmetic Ingredients :

Acetamidophenyl Retinoate
N-Acetyl D-Glucosamine
N-Acetyl L-Tyrosine
Acitretin
Adapalene
Aescin
Allantoin
Aloe Vera Oil
Aluminum Chlorhydrate
Aluminum Zirconium Nitratohydrate Gly
Aluminum Zirconium Octachlorohydrate Gly
Aluminum Zirconium Pentachlorohydrate Gly
Aluminum Zirconium Tetrachlorohydrate Gly
Aluminum Zirconium Trichlorohydrate Gly
Gamma Amino Butyric Acid (GABA)
Arachidonic Acid (ARA)
Arbutin
Ascorbyl Isostearate
Ascorbyl Palmitate
Asiatic Acid
Benzalkonium Bromide
Benzalkonium Chloride
Benzophenone-1
Benzophenone-2

Benzophenone-3	Cholesterol
Benzophenone-4	Cholesteryl Benzoate
Betaine	Cholesteryl Nonanoate
Betamethasone Dipropionate	Ciclopirox Olamine
Biotin (Vitamin H)	Climbazole
Alpha Bisabolol	Clobetasol Propionate
Black Currant Oil	Coenzyme Q10 (Ubiquinone)
Bronopol	Collagen
Butyl Methoxydibenzoylmethane (Avobenzone)	7-Dehydrocholesterol
Butylparaben	Dequalinium Chloride
Caffeic Acid	Diazolidinyl Urea
Calcium D-Pantothenate	N,N-Diethylmetatoluamide (DEET)
Capsaicin	Dipalmitoyl Hydroxyproline (DPHP)
Carboxymethyl Chitosan	DMDM Hydantoin
L-Carnitine Base	Edothelin Antagonist
L-Carnosine	Ellagic Acid
Beta Carotene (Synthetic)	Epigallocatechin Gallate (EGCG)
Cetrimonium Bromide	Ergosterol
Cetrimonium Chloride	Erythritol
Chlorhexidine Diacetate	Ethyl Butylacetylaminopropionate (EBAAP)
Chlorhexidine Digluconate	Ethyl Ferulate
Chlorhexidine Dihydrochloride	Ethylhexyl Dimethyl PABA
Chlorogenic Acid	Ethylhexyl Methoxycinnamate (Octinoxate)
Chloroxyleneol (PCMX)	Ethyl Nicotinate
Chlorphenesin	Ethylparaben

Evening Primrose Oil	Laurocapram (Azone)
Ferulic Acid	Laurtrimonium Chloride
Fucoidan	Licorice Extract (Glabridin)
6-Furfuryl Aminopurine (Kinetin)	Alpha Lipoic Acid (Thioctic Acid)
Ginkgo Biloba Extract (GBE)	Lawsone
Delta Gluconolactone	Magnesium Ascorbyl Phosphate
Glycolic Acid	Menthyl Lactate
18-Beta Glycyrrhetic Acid (18-BGA)	Mequinol
Grape Seed Oil	Metallothionein (Zn-MT)
Green Tea Extract (Tea Polyphenols)	4-Methylbenzylidene Camphor (4-MBC)
Guar Hydroxypropyl Trimonium Chloride	Methylparaben
Hydroquinone Dipropionate	Minoxidil Sulphate
Hydroxypropyl Methylcellulose	Mixed Tocopherols Concentrate (Low,High Alpha)
Inositol Hexaphosphate (Phytic Acid)	Mometasone Furoate
Iodopropynyl Butylcarbamate (IPBC)	Neem Seed Oil
Isobutylparaben	Niacinamide (Vitamin B3)
Isopropyl Metoxycinnamate	Nisin
Isopropylparaben	Octocosanol
Isoretinoic Acid (Isotretinoin)	Oleanolic Acid
Kathon (CIT/MIT)	Orotic Acid
Ketoconazole	Gamma Oryzanol
Kojic Acid	DL-Panthenyl Ethyl Ether
Kojic Acid Dipalmitate	D-Panthenol 50PGS
Lanolin Anhydrous	D-Panthenol 50WS
Lauralkonium Chloride	D-Panthenol 75WS

D-Panthenol USP	Rice Bran Oil
Papain	Rice Bran Wax
Pearl Powder	Rosemary Extract
Pentyl Dimethyl PABA	Salicin
Phycocyanin C	Salicylic Acid
Phytonadione (Vitamin K1)	Sea Buckthorn Berry Oil
Phytosterols	Sea Buckthorn Seed Oil
Piroctone Olamine	Sericin
Polyquaternium 10	Silicon Dioxide
Polyquaternium 47	Silk Peptide
Polyquaternium 6	Silymarin
Polyquaternium 7	Beta Sitosterol
Potassium Azeloyl Diglycinate	Sodium Ascorbyl Phosphate
Potassium Cholesterol Sulfate	Sodium Carboxymethylcellulose (CMC Na)
Potassium PCA	Sodium Chloesterol Sulfate
Povidone (PVP) K30	Sodium Cocoyl Isethionate
Povidone (PVP) K60	Sodium Copper Chlorophyllin
Propylparaben	Sodium Hyaluronate
Puerarin	Sodium Isobutylparaben
PVP Iodine	Sodium Isopropylparaben
Pyridoxine Dipalmitate	Sodium Lauroyl Sarcosinate
Quercetin	Sodium PCA
Raspberry Ketone Glucoside	Sodium Percarbonate
Resveratrol	Sodium Thioglycolate
Retinoic Acid (Tretinoin)	Sodum Pyrithione

Soybean Isoflavones

Stearalkonium Chloride

Stigmasterol

Superoxide Dismutase (SOD)

Tetrahexydecyl Ascorbate

Thea Seed Oil

Titanium Dioxide Ultrafine

Tocophersolan (Vitamin E TPGS)

DL-Alpha Tocopheryl Nicotinate (Vitamin E Nicotinate)

Tocoretinate

Trehalose Anhydrous

Trehalose Dihydrate

Triclocarban

Triclosan

Undecylenic Acid

Ursolic Acid

Viaminate

Zeolite 4A

Zinc Oxide Ultrafine

Zinc Pyrithione (ZPT)

Zinc Undecylenate

List of Feed Ingredients :

Acriflavine HCl

Albendazole

Albendazole Sulphoxide (Ricobendazole)

Amprolium HCl

Apramycin Sulfate

Arsanilic Acid

L-Ascorbyl 2-Monophosphate

Avermectin

Bacitracin Methylene Disalisylate (BMDS)

Bacitracin Zinc

Betaine HCl

Biotin (Vitamin H)

Calcium DL-Pantothenate

Calcium Phosphate Dibasic

Calcium Propionate

Carbadox

Carprofen

L-Carnitine Base

Choline Chloride

Chromium Nicotinate

Chromium Picolinate

Clopidol

Closantel

Closantel Sodium

Cobalt Chloride	Flunixin Meglumine
Cobalt Sulfate	Folic Acid
Colistin Sulphate	Furazolidone
Cyromazine	Inositol
Danofloxacin Mesylate	Ivermectin
Diclazuril	Kelp Powder
Difloxacin HCl	Levamisole HCl
Dimethyl Fumarate	Lufenuron
Dimetridazole	Maduramicin Ammonium
Diminazene Aceturate	Magnesium Ascorbyl Phosphate
Doramectin	Maleic Acid
Emamectin Benzoate	Marigold Extract
Enrofloxacin	Mebendazole
Enrofloxacin HCl	Menadione Nicotinamide Bisulfite (MNB)
Eprimectin	Menadione Sodium Bisulfite (MSB)
Ethoxyquin (EQ)	Mequindox
Febantel	Methoprene
Fenbendazole	Monensin Sodium
Ferrous Fumarate	Niacin
Fipronil	Niacinamide
Flavomycin	Nicarbazin
Florfenicol	Niclosamide
Flubendazole	Nosiheptide
Flumequin	Olaquinox
Flumequin Sodium	Oxfendazole

Oxibendazole	Tilmicosin
Oxolinic Acid	Tilmicosin Phosphate
Pefloxacin Mesylate	Toltrazuril
Potassium Sorbate	Triclabendazole
Praziquantel	Tylosin Phosphate
Pyrantel Pamoate	Tylosine Tartrate
Ractopamine HCl	Vitamin A
Rafoxanide	Vitamin AD3
Riboflavin (Vitamin B2)	Vitamin B12
Robenidine HCl	Vitamin D2
Roxarsone	Vitamin D3
Sacchariterpenin	Vitamin E Acetate
Salinomycin Sodium	
Sarafloxacin HCl	
Sodium Citrate	
Sodium Dehydroacetate	
Sodium Oxalinate	
Sodium Propionate	
Sorbic Acid	
Sulfaclozine Sodium	
Sulfaquinoxaline	
Sulfaquinoxaline Sodium	
Sulphachlorpyrazine Sodium (SPZ)	
Sulphamethoxyipyridazine (SMP)	
Tiamulin Hydrogen Fumarate
